

LAURA & ANDREW SHERMAN
THE MAGICAL PRINCIPLES OF THE KYBALION

**Said to be the most legendary and enigmatic book,
the *Kybalion* helps you to understand the world.
Discover the seven principles that unlock the mysteries
of the universe and use them for your own life!**

Book

No source of knowledge has been guarded as closely as the ancient Hermetic writings, attributed to the legendary and enigmatic Hermes Trismegistos. The *Kybalion* is said to be the essence of all Hermetic principles, passed from generation to generation, and originally published in English by the „Three Initiates“ in 1908.

According to the teachings of the *Kybalion*, life is governed by seven principles that unlock the mysteries of the universe. Laura and Andrew Sherman reintroduce this forgotten source of knowledge that makes

these seven principles of life accessible to a new audience. Their book provides easy-to-follow explanations of the book's timeless teachings, helping modern readers in their search for a higher truth. By explaining the mystical teachings of the *Kybalion*, they allow readers to draw practical knowledge from the principles, enabling them to develop their own philosophy of life.

144 pages, illustrated, 4c.
